None

Parts List

One (1) CorkSport Shift Knob

Detailed Instructions

1. Install the CorkSport Shift knob

- Locate and remove the factory shift knob. Simply unscrew it from the factory shifter. Factory Mazdaspeed3 shift knob shown in **Figure 1a**. Depending on application the shape will be different.
- Install the CorkSport shift knob on the factory shifter. It will screw down until it meets the shift boot. Then straighten it to where it feels most comfortable. Shown installed in **Figure 1b**.
